DREAMSCAPE NETWORKS APPOINTS DIRECTOR - ACQUISITIONS

Dreamscape Networks Limited (**ASX code: DN8**) is pleased to advise as part of accelerating acquisitions within the growth strategy it has engaged DN8 Non-executive Director, Mr Evan Cross as Director - Acquisitions.

“The new role is a strategic initiative designed to accelerate the future growth of Dreamscape Networks by having a dedicated resource focussed solely on the analysis, negotiation and acquisition of businesses, products and technologies. Mr Cross will work directly with the existing executive team, as part of the company’s growth strategy” says Mr Peter James, Non-executive Chairman of Dreamscape Networks.

Mr Mark Evans, Managing Director and Chief Executive Officer of Dreamscape Networks said, “Evan has been instrumental in assisting Dreamscape Networks to list on the ASX over the past four years. With his knowledge of our business that he has built up over that period, as well as his relevant experience in acquisitions, we are looking forward to working with him to accelerate our growth strategy”.

“With a strong cash generative business, no debt and additional funds raised during the IPO, Dreamscape Networks is well positioned to invest in growth initiatives and I am looking forward to the new role of focussing on acquisitions within the overall growth strategy,” says Mr Evan Cross.
