**VODIEN CELEBRATES SINGAPORE'S 54th BIRTHDAY  
BY SUPPORTING BUSINESSES MADE IN SINGAPORE**

*Singapore's #1 web hosting and domains platform gives back to Singapore companies*

Singapore, August 7th - [Vodien Internet Solutions](#), Singapore's #1 for web hosting and domains, is celebrating this year's National Day by sponsoring the digital presence of businesses that have been born and bred right here on our shores with its campaign [Made In Singapore](#).

Since 2002, the Singaporean web hosting service provider, now a subsidiary brand of [Dreamscape Networks](#), has been helping local businesses of all sizes with its highly reliable, effective and affordable solutions. Across Asia, Vodien Internet Solutions supports over 60,000 companies and offers hosting for 64% of websites in Singapore\*, with high-performance digital solutions such as website and email hosting, servers and web security, all backed up by 24/7 premium support. The company prides itself on innovative engineering and a prompt, knowledgeable support team so it can deliver both scalable business hosting solutions and well as customised managed hosting services.

"As a business that started in Singapore, we remember what it was like starting our own journey. So for this year's National Day, we felt it would be a meaningful way to celebrate by supporting and celebrating successful businesses that are Made In Singapore," says Mark Evans, CEO of Dreamscape Networks.

From juice and coffee bar The Good Boys, to Singapore's very first local ferry cruise service Singapore Island Cruise, to youth-run local dance studio Legacy Dance Co, Vodien has sponsored local businesses' digital presence as part of its ongoing commitment to supporting Singaporeans thrive in today's digital economy.

Vodien is also proud to announce its continued support to the National Day Parade by hosting the website and the National Day's infrastructure for the third year running. "We are proud to support such an iconic celebration with our hosting services. As an organisation deeply embedded in Singapore, we are honoured to play our part in celebrating Singapore's legacy and future," says Gavin Gibson, COO of Dreamscape Networks.

*\*Refers to dedicated hosting market share in Singapore*
